Guidelines

1. SRs posted in screening OPD should review referral papers & take a joint decision regarding appropriate referral to clinic /OPD of IRCH.
2. Completely worked-up patients can be referred directly to specific organ /specialty based clinic and the remaining patients can be registered in respective OPD.
3. Patients referred directly to specific departments /clinics/faculty should be referred to respective department/clinic/faculty.
4. If there is a need, patient can be referred to specific OPD/ Clinic of main AIIMS.

Disclaimer: You have been screened in the Cancer Screening OPD and have been referred to the treating unit for registration and treatment appointments. The registration and treatment appointment will be given depending on the slot availability, as slots are restricted due to COVID-19. As cancer requires timely treatment and waiting may have adverse effect on patient's disease; patient is suggested/advised to explore treatment options at other AIIMS/ Regional Cancer Centre/State Medical Colleges and other Govt. Cancer facilities, in case there is delay in availability of slots at Dr. BRA IRCH.
